About deCordova

DeCordova offers a unique backdrop of contemporary art for unforgettable events in both indoor and outdoor spaces.

Established in 1950, deCordova Sculpture Park and Museum is the largest park of its kind in New England. Providing a constantly changing landscape of large-scale, outdoor, modern and contemporary sculpture and installations, the Sculpture Park hosts more than 50 works.

Your contribution supports The Trustees efforts to protect and preserve the irreplaceable landscapes and landmarks that make Massachusetts the place you call home.
