DeCordova offers a unique backdrop of contemporary art for unforgettable events in both indoor and outdoor spaces.

Established in 1950, deCordova Sculpture Park and Museum is the largest park of its kind in New England. Providing a constantly changing landscape of large-scale, outdoor, modern and contemporary sculpture and installations, the Sculpture Park hosts more than 60 works. Inside, the Museum features emerging local artists in the Dewey Family Hall, and unique spaces for events and programming.
