About Long Hill...

Through its naturalistic gardens and elegant Federal-style home, Long Hill offers an enchanting landscape for indoor and outdoor events.

Built in the 1920s by the Sedgwick family, Long Hill is a public garden with a stunning plant collection, laid out in a series of separate garden 'rooms' surrounding the handsome brick house. Each outdoor 'room' is distinct in its own way, accented by mature plantings that blend into the surrounding woodlands.

By hosting a wedding at Long Hill, your contribution supports The Trustees efforts to protect and preserve many of the irreplaceable landscapes and landmarks that make Massachusetts special.
