

Tradewind is proud to support Meals in the Meadow as its preferred transportation partner.

Tradewind Aviation offers private and scheduled flights throughout the **Northeast, Southeast, and Caribbean**. All flights are operated in their fleet of modern Pilatus PC-12 aircraft, which feature complimentary snacks and refreshments, air-conditioning, and are flown by two pilots. Departing from private terminals, Tradewind flights allow guests to arrive just 30 minutes before departure, and the aircraft's ability to access smaller, regional airports helps reduce overall travel time and hassle.

Tradewind operates **scheduled flights to Martha's Vineyard** from Westchester County Airport (HPN) and is offering an **exclusive discount** to this year's Meals in the Meadow. Use the promo code **MEADOWS25** to save 5% on flights to the Vineyard between July 11th and July 13th.

To book, visit flytradewind.com and search for your desired flights. On the next screen, enter the promo code in the "Promo Code" field on the left, and click "Search Again" to apply the discount. You can also book by contacting the Tradewind team at scheduledservice@flytradewind.com or 203-267-3305 option 1 and mentioning the promo code.

If you travel regularly, explore Tradewind's Ticket Book or Goodspeed Card programs for exceptional savings and other membership perks.
