deCordova Sculpture Park & Museum

Lincoln, MA

Join us for deCordova's annual fundraising celebration, raising crucial operating support for the museum. deCordova is a special place that brings people together, fosters cultural exchange and idea-sharing, and highlights the inspiring connections between art and nature. Each year, Party for the Sculpture Park brings together over 250 supporters of the arts to share in cocktails, dinner, and dancing amidst deCordova's unique, art-filled landscape.

Party for the Sculpture Park

Overview

deCordova Sculpture Park and Museum is the largest park of its kind in New England. Providing a constantly changing landscape of large-scale, outdoor, modern and contemporary sculpture and site-specific installations of more than 60 works. The museum also features a robust slate of lively programming, including music, lectures, and classes.

deCordova is internationally recognized as a major venue for the exhibition and interpretation of modern and contemporary outdoor sculpture. The Sculpture Park occupies the entire campus: 30 acres of beautifully landscaped lawns, forests, fields, gardens, and terraces on a rolling site along the shore of Flint's Pond in Lincoln, Massachusetts. Artists whose works are currently on view in the Sculpture Park include Jim Dine, Andy Goldsworthy, Antony Gormley, Dan Graham, Hugh Hayden, Jaume Plensa, and Ursula von Rydingsvard, among others.

We are currently planning a multi-year initiative to become more accessible and sustainable. Patrons of deCordova continue to enjoy year-round activities in the Sculpture Park and Museum, including yoga in the park, nature tours, curator and artist conversations, and many special talks, screenings, and events. deCordova is also home to Lincoln Nursery School, the first preschool embedded in a contemporary art museum in the United States.

The Trustees

About Us

Founded by landscape architect Charles Eliot in 1891, The Trustees has, for more than 130 years, been a catalyst for important ideas, endeavors, and progress in Massachusetts.

We enjoy and care for more than 120 special places—nearly 27,000 acres—all around Massachusetts. And we are actively building an extended family of friends, neighbors, and partners across the state that can help in many different ways. Each year, more than 2 million people visit our reservations, 250,000 people participate in our more than 5,000 programs and events, and volunteers contribute over 50,000 hours of assistance in all aspects of our work. The Trustees is a vibrant and growing network of people who are committed to preserving the Commonwealth's landscapes and keeping open space open for everyone, forever.

Why Sponsor?

A sponsorship provides direct access to a highly engaged, well-resourced audience and helps sustain programs that reach people of all ages and backgrounds.

DeCordova welcomes over 50,000 visitors each year. Your support allows us to continue offering more than 60 field trips and group visits each year, giving 3,000 grade-school students, 250 college students, and 350 adult learners opportunities for education, exploration, and connection with art and the natural world.

It also helps fund quarterly artist lectures that bring people into the creative process through in-person conversations with working artists. These events include hands-on artmaking for children and their caregivers and studio workshops for adults who want to try new materials and techniques. Support our mission by sponsoring Party for the Sculpture Park and become part of a community of business leaders committed to preserving and protecting our most treasured places.
