Sculpture Park and Museum

deCordova Sculpture Park and Museum is the largest park of its kind in New England. It inspires, educates, and delights with contemporary art from New England and beyond. Providing a constantly changing landscape of large-scale, outdoor, modern and contemporary sculptures and installations, the outdoor Sculpture Park hosts approximately 60 works at a time.

Wedding ceremonies take place on the Sculpture Terrace overlooking scenic Flint's Pond. For the Cocktail Hour, guests are invited indoors to the gallery spaces featuring works by local artists. Dinner and dancing take place under a beautiful high-peaked sail cloth tent amid greenery adjacent to the museum building.

“ We loved the distinct locations for the ceremony (outdoor terrace), cocktail hour (inside gallery), and reception (outdoor tent). We loved that there was art around every corner. ”
